High-winds and Trees

- Entering into the time of year of storms with high-winds.
- Review the health of trees around and near your home or business
- Recovering from droughts, some larger trees may have hidden issues
- Have dead branches trimmed before they trim your home.

Thoughts for today

- Real-Time Monitoring
 - Review and Presentation of Best Practices for RTM
- Question and Answer Period
 - Index Cards for anonymous
 - Or, wait for microphone to come to you
 - State your name and organization for the note-takers
- Silence/Vibrate cell phones, minimize side-bars, respect the discussion.
